Withers & Keys, LLC****Fax No. 678-565-4749****Date: July 5, 2004****4 pages (including cover)****Application No.: 09/986,148****Message Text:****Examiner Al Hashemi,**

As discussed on the phone, I am providing an agenda for our proposed teleconference/interview that we need to schedule upon your receiving this agenda. Please contact me as soon as possible at 404-849-2093 to schedule the teleconference. If possible, I need to discuss this with you no later than the morning of July 8 in order to prepare and file a timely written reply by July 9. I have included the new power of attorney papers listing me as an attorney of record, which I have also already faxed to the official fax number.

Agenda:

Discuss the deficiencies of the Underwood reference relative to the claims, and in particular independent claims such as claim 1. Namely, discuss the cited portions of Underwood in order to better understand the rejections. The undersigned is having difficulty in determining what the Examiner is relying on for each of the databases, the transaction record, and changes to the databases and seeks an explanation of the Examiner's reasoning so that an appropriate response can be prepared.

As best as can be understood at this time, it appears to the undersigned that the cited portions of Underwood fail to disclose these claim elements, among others, and instead disclose using a unit of persons to determine processes necessary to develop components of application programs for a particular project. The undersigned does not see how the cited portions apply to database configuration migration as set forth in the claim elements.

Thanks,
Jeramie Keys, 42,724
